Wyoming Association of Conservation Districts

Statement of Purpose

It is hereby declared that it is the policy of the Wyoming Association of Conservation Districts to provide leadership for the conservation of Wyoming's soil and water, to promote the control of soil erosion, to promote and protect the quality of Wyoming's waters, reduce the siltation of stream channels and reservoirs, promote wise use of Wyoming's water and all other natural resources, preserve and enhance wildlife habitat, protect the tax base and promote the health, safety and general welfare of the citizens of this state through a responsible conservation ethic.
