

## **Structure of the Wyoming Natural Resource Foundation (WNRF)**

In 1991, districts directed WACD to form a 501c3 organization to allow for additional fundraising opportunities for both local districts and WACD. This organization was named the Wyoming Natural Resource Foundation (WNRF).

The WNRF allows donors/grantors to take charitable tax deductions. Districts can apply for donations, grants, etc. through the foundation.

The WACD Board of Directors serve as the Board of Directors for the WNRF. Voting members of the Foundation are the 34 conservation districts.

See <http://www.conservewy.com/wacd/wnrf/ArticlesWNRF.doc> for a copy of the WNRF bylaws.
