

Don't Move A Mussel

Aquatic Invasive Species Summit

Ramada Plaza Riverside - Casper, Wyoming - Tuesday, March 16, 2010

Help protect Wyoming's waters by making sure you Don't Move a Mussel!

This summit will bring together interested parties from industrial, municipal, and agricultural water, outdoor recreationists, and state and federal agencies. The summit will provide an overview of aquatic invasive species in particular quagga and zebra mussels.

Resource impacts and prevention plans will also be discussed.

The day will wrap up with an agency panel discussion.

The summit is free (lunch is not included). For hotel room reservations, contact the Ramada Plaza Riverside at (307) 235-2531 for rooms being held under the Aquatic Invasive Species summit. Please make reservations by March 9, 2010.

To ensure adequate meeting room space, please email Judie Petersen at judie.petersen@wgf.state.wy.us or call (307) 777-4569 if you are planning to attend.
